Week 1 Blog Task

Reading

- You were asked to select one of the given texts over the Assessment period during January

Tasks

From the above reading set over the assessment period, you need to outline what the text was about and reflect on its importance to your own practice, making connections.

You can break this down as follows:

1.1 *What is it? Explain in 50 to 100 words.*

1.2 *Does it connect to your practice? Write a short text of 50 to 100 words that consider a connection to your practice.*

If you feel it doesn't relate to your practice then explain why.

You will be asked to discuss this at some point during this module
